Creating your own
personalised IPMA
account

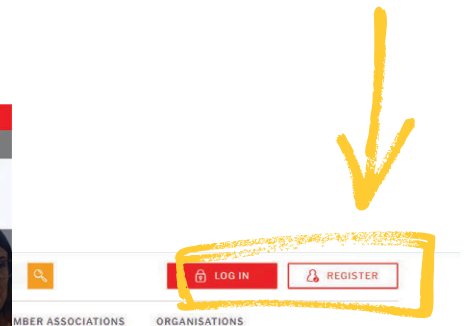

My.ipma is a custom made platform designed by the International Project Management Association (IPMA). It is here to:

- » help you to manage your career in the area of project, programme and portfolio management by collecting IPMA continuing professional development points (CPDs)
- » offer you a wide variety of IPMA REG education and training courses and programmes to participate in
- » show you numerous levels of certification of competencies for managing projects, programmes and portfolios in traditional and agile environments that you can obtain
- » give you opportunities to exchange knowledge and experience with communities of practice around the world by participating in global and local events and special interest groups (SIGs).

Get started

1. Visit ipma.world and go to **my.ipma** by clicking “log in to my.ipma” button or “my.ipma” slider
2. Register to **my.ipma**

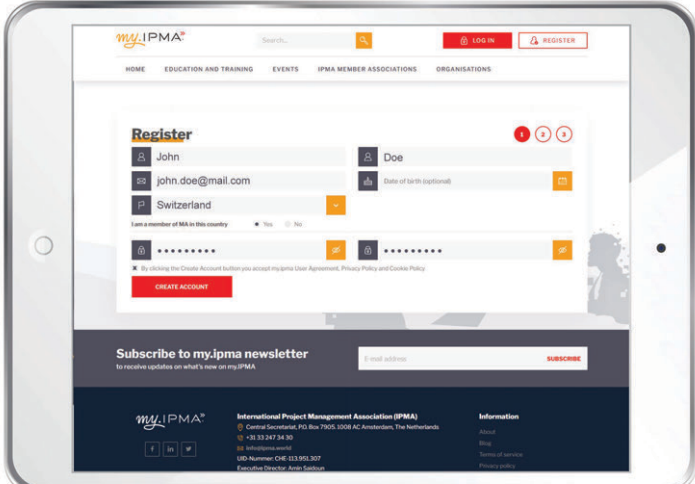

Step 1: Initial registration form

Fill out the required fields: first and last name, email, country, password.

Make sure the chosen password is strong enough.

Tick the box in front of the statement „By clicking the Create Account button you accept my.ipma User Agreement, Privacy Policy and Cookie Policy“.

**Continue with
„Create account“.**

The image shows a tablet displaying the my.IPMA registration form. The form is titled "Register" and includes the following fields and options:

- First name: John
- Last name: Doe
- Email: john.doe@mail.com
- Country: Switzerland
- Language: English
- Phone: [Redacted]
- Address: [Redacted]
- City: [Redacted]
- Postal code: [Redacted]
- Country (address): [Redacted]

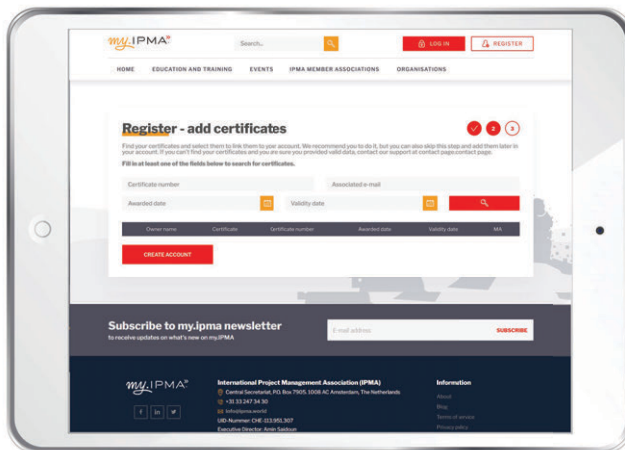

Below the form, there is a checkbox for "I am a member of IMA in this country" with "Yes" and "No" options. A red "CREATE ACCOUNT" button is visible. At the bottom of the form, there is a checkbox for "By clicking the Create Account button you accept my.ipma User Agreement, Privacy Policy and Cookie Policy".

The tablet also displays a "Subscribe to my.ipma newsletter" section with an "E-mail address" field and a "SUBSCRIBE" button. The footer of the tablet shows the my.IPMA logo, contact information, and a navigation menu.

Step 2: Add IPMA certificates (optional)

Your certificate/-s should be displayed in the step 2. If you see your certificate/-s tick the box in front of your certificate/-s and continue by pressing the “Create account” button. If your certificates are not instantly visible by proceeding to step 2, you may search for them by entering certificate number, associated email, awarded and validity date.

If you cannot find your certificates during the initial registration, you can add your certification details after registering and logging in to my.ipma platform (for more information see *Keeping track of your IPMA certificates* booklet).

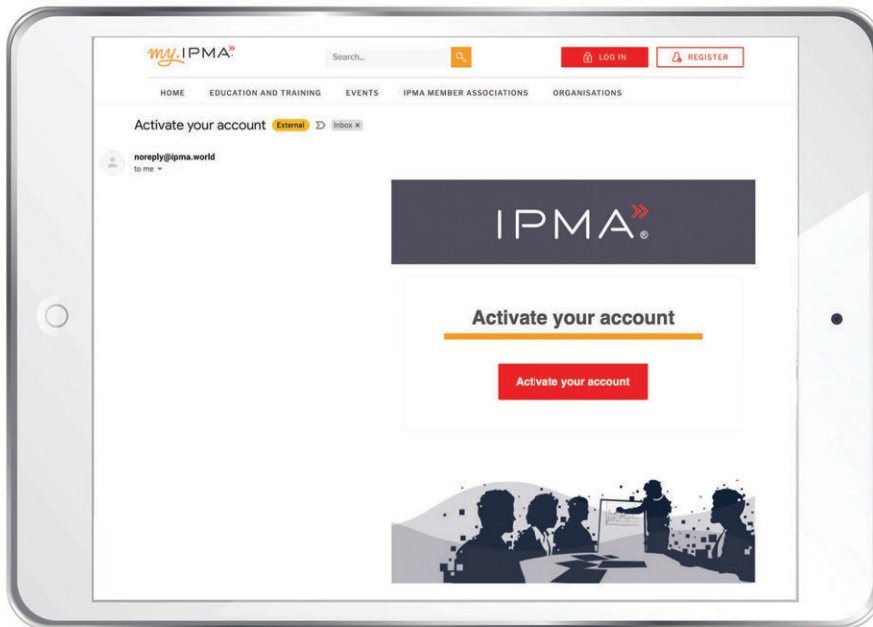

NOTE:

If you are not certified according to IPMA or a certificate that is not yours is displayed, just continue by pressing the “Create account” button.

Step 3: Activate your account

An email will be sent to you automatically from the email address noreply@ipma.world. If you do not receive this email (check the spam) please contact rebeka.vlahov@ipma.world for help.

Continue with „Activate account“

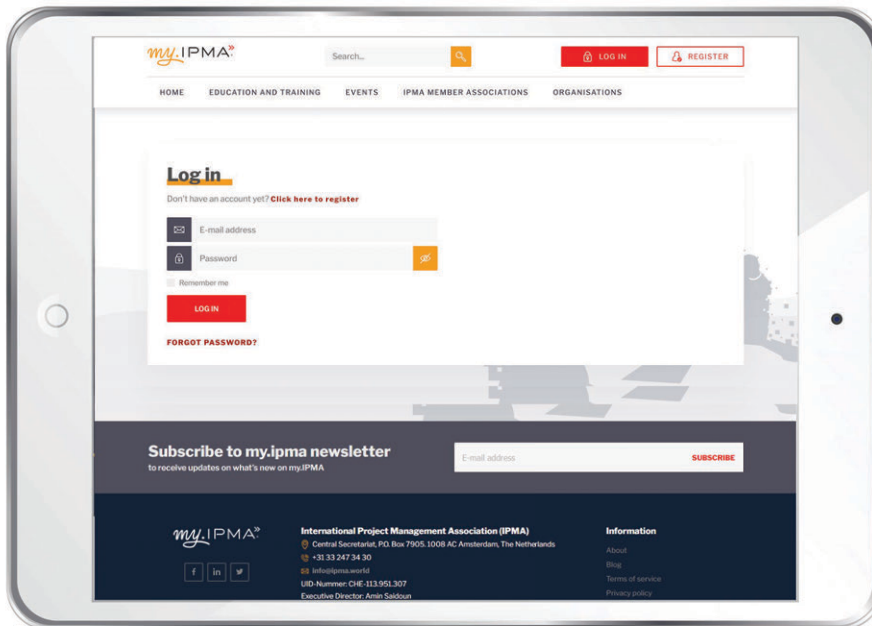

3. Log in to my.ipma

With your email and a chosen password.
